Aspiring Java Full Stack Developer (Fresher) with solid grounding in core Java, Spring Boot, and modern web technologies. Passionate about crafting reliable, scalable applications and keen to grow by solving real-world challenges within a collaborative engineering environment.

Education

Bachelor of Technology – Computer Science & Engineering — 2025
ISBM University
Aggregate: 68%

Intermediate (Class XII) — 2021
Sri Chaitanya College
Score: 516

Secondary School Certificate (Class X) — 2019
Ekashila E Techno School
CGPA: 8.7

Academic Projects

Online Job Portal — Present
Stack: Java, Spring Boot, MySQL, HTML, CSS
- Designed and developed a web-based platform for managing student records, course details, and attendance tracking.
- Built RESTful endpoints supporting full CRUD functionality for efficient data operations.
- Employed MySQL for persistent storage and optimized queries to enhance overall system responsiveness.

E-Commerce Web Application (MegaBazar) — Present
Stack: Java, Spring, Hibernate, React, MySQL
- Constructed an end-to-end online shopping solution featuring secure user registration and login.
- Delivered product catalogue, shopping cart, and order placement modules with seamless backend–frontend integration.
- Connected Spring-based APIs to React components for a responsive and interactive user experience.

Courses

Java Full Stack Development · 360 DigiRI — Present

Spring Boot & Microservices – Online Job Portal Project Certification — Present

Awards

Gold Medal in Chess — 2025
Secured at the college level.
